SUMMARY

Results-driven Full-Stack Web Developer with hands-on experience in building responsive, scalable applications using Vue.js, Laravel, and Tailwind CSS. Strong foundation in both front-end and back-end development, with a track record of independently delivering projects from concept to deployment. Adept at translating user needs into efficient digital solutions. Seeking a developer role to contribute technical expertise and drive impactful outcomes.

WORK EXPERIENCE

IT Assistant, Golden Minds Colleges Inc.   **May 2022- Jan 2025**

- Led front-end UI/UX improvements for the college's digital platforms, enhancing user experience and accessibility.
- Expanded into backend development and collaborated with senior developers to implement seamless system functionality.
- Spearheaded the design, development, and maintenance of internal digital infrastructure to support institutional goals.
- Introduced innovative solutions to optimize performance and streamline operational workflows.
- Managed IT support for Golden Minds Academy (Elementary and Junior High), including system health checks and maintenance.
- Installed operating systems and handled complete computer setup, including cable management and troubleshooting.

EDUCATION

Bachelor of Science in Information Technology   **Jul 2023 - Present**
Bulacan State University - Main Campus
- Specialization in Web and Mobile Application Development (WMAD)

Technical Vocational Livelihood in Information and Communication Technology   **Aug 2021- Jun 2023**
Golden Minds Colleges of Sta.Maria Bulacan Inc.
- Capstone Project on "Web-Based Inventory Management System"

ADDITIONAL INFORMATION
